

## Mid-weight Industrial Designer

<b>Discipline:</b>	Industrial Design
<b>Availability:</b>	Immediately
<b>Position:</b>	Full Time Employee
<b>Location:</b>	Sydney

### The Position

We're looking for a talented and self-motivated Mid-weight Industrial Designer to join our Sydney studio. This is an excellent opportunity to be part of a growing team of creatives whilst delivering high profile projects throughout Australia and internationally.

The role of Mid-weight Industrial Designer includes assisting the team in the development and management of Industrial strategies and documentation, whilst supporting new business activities and strategies.

They must be proactive and self motivated, independently leading and delivering on smaller projects, communicating clearly and professionally with clients and providing guidance and support to junior designers.

### Responsibilities

- Assist the team in the delivery of multiple, often complex, design projects from strategy/concept through to site whilst adhering to design briefs and programmes.
- Undertake project and user research to provide high-level strategic advice and to develop design briefs with the client team.
- Produce and deliver designs, drawings, schedules, guidelines and specifications at conceptual, tender and construction stages.
- Plan and prepare presentations and design reports to a high standard.
- Deliver client and stakeholder presentations including consultation workshops with guidance and support from the senior team.
- Act as project manager and lead on smaller, less complex projects from strategy/concept through to site, whilst adhering to design briefs, and monitoring budget, programme, resource, risk, quality, communication and CMap updates. Allocate tasks to designers and oversee outputs.
- Collaborate with other design disciplines to co-ordinate and deliver successful designs and wayfinding strategies.
- Support the New Business of the studio, including preparation of tender responses and presentations, attendance at pitches and interviews where required, and attending industry events and networking opportunities.
- Support other design disciplines in the form of research, document creation and graphic illustration.

### Skills and Experience

- Degree in Industrial Design, and relevant experience (3-4 years) in an established creative agency.
- Experience in working on transport and urban wayfinding projects alongside architects, engineers and contractors.
- Excellent design, conceptual and critical thinking skills, with ability to communicate design work clearly and confidently in written, oral and presentation formats.
- Fluent in English with great written, spoken and interpersonal communication skills.
- Ability to work across multiple projects whilst managing own workload, prioritising tasks and internal deadline.

### Reporting

Reports directly to the Head of Industrial Design, Senior Designers and Project Lead.

### About Maynard

Maynard is a multi-disciplinary design practice with offices in Sydney, Melbourne, Tāmaki Makaurau Auckland, and London. Together our team provides a unique combination of design expertise spanning the disciplines of wayfinding, graphic and information design, and product design. We are focused on designing for people, the places they inhabit and the products and interactions that will improve their daily lives. We call it social design, and we work in many sectors from large transport and urban realm schemes through to more bespoke cultural projects and placemaking.

We enjoy working with other disciplines and have long term relationships with high-profile architects and engineers, as well as specialist manufacturers. Communication and teamwork is key to making things happen, and that is at the core of how we work.

Maynard is an equal opportunities employer. We offer a flexible and supportive studio environment to enable our staff to grow and to establish long-lasting careers within the organisation.

### To Apply

Please share your CV and a link to your portfolio/website to [jobs@maynard-design.com](mailto:jobs@maynard-design.com) with the subject heading 'Mid-Weight Industrial Designer' with a short blurb about why we'd be a great fit!
